Vision & Plan for Interoperable SSO

- Fall 2015
 - Schoology (Digital Ecosystem Hub)
 - Classlink (SSO)
 - Digital Textbooks
 - Single Sign-On
 - Automated Rostering
 - Thin Common Cartridges
- 3 Year Plan
 - Purchase additional Thin Common Cartridges
 - Procure formative assessment that follows QTI and APIP standards
- Ongoing
 - Continue to advocate for IMS Global Standards
 - One Roster, LTI, CC/TCC, QTI, APIP, Caliper Analytics

Systems Approach

- SDPC Technology Systems
- SDPC Data Processes
- SDPC Tech Systems Spreadsheet Template
- SDPC Textbooks

It takes a team...

- Essential Conditions
 - Shared Vision
 - Technical Support
 - Support Policies
- Departments must establish a common ***vision for instruction*** and the role technology plays in helping students become successful adults.
- Support policies and practices must always ***support this vision!***
