

# COLLEGE BOUND?

## ORDER YOUR TRANSCRIPTS ONLINE!

If you're applying to college, you already have a mountain of forms to fill out. So here's how to scale down a few: ***Order your transcripts online!***

Through the South Carolina e-Transcript project, School District of Pickens County students have a safe, electronic way to order official transcripts for colleges, universities and scholarship funds nationwide. It's easy, secure and available 24/7. Better yet, electronic transcripts are sent free to all participating South Carolina colleges and universities!

Official transcripts checked and approved by your school will be sent to the locations you choose. You'll receive an e-mail confirmation after transcripts have gone out. And, if transcripts are sent electronically, you'll receive confirmation that the transcripts have been received.

Transcripts can be sent to out-of-state institutions or to non-participating South Carolina colleges and universities for \$3. Hard copies sent to any school are only \$5.
