(Please list additional siblings on the back of this sheet.)

Parent/Legal Guardian Signature: _____ **Date:** _____

Parents will be notified of acceptance to McKissick Academy of Science & Technology via acceptance letter and will be required to return a confirmation of attendance form to the school's office. If no spaces are available, students will be put on a waiting list. Students entering 4K must attend their zone school, and therefore, are not eligible for enrollment in the magnet program.

At registration, birth certificates, immunization records, and proof of residency in Pickens County will be required. Parents do not need to apply each year. Acceptance is through the 5th grade. Parents will be asked to complete intent forms each year. Accepted students, who live outside of the McKissick Academy of Science & Technology zone, **must** provide their own transportation, arrive at school on time, be picked up promptly afterwards, be in regular attendance, and follow the Code of Student Conduct. Students who meet these criteria annually will not need to reapply for the magnet program.
