

Testing Saves Lives.

If you're sick, get a free COVID-19 test.

SDPC is offering free BinaxNOW COVID-19 testing for employees with symptoms of COVID-19. The BinaxNOW COVID-19 test is a rapid test.

Complete the [SDPC Employee COVID-19 BinaxNOW Testing Form](#) to pre-register for testing. Pre-registering holds a spot and speeds your testing process.

When you arrive for testing, you will sign a COVID-19 testing consent form.

ATTENTION: We will be able to test approximately 30 employees each date. Employees who pre-register will have a spot saved for testing. Walk-ins will be accepted.

**All testing will be done at the Pickens County Career and Technology Center | 990 Chastain Rd., Liberty, SC, 29657
Hours of Testing: 3:00pm – 5:00pm**

See the calendar below for testing dates and times for January and February

JANUARY
